

LITHIA[®]

Since 1888
Mineral Spring Water

EASY 5-DAY DETOX-CLEANSE

16 Fl Oz before breakfast (empty stomach)
16 Fl Oz before dinner (empty stomach).

Remove harmful toxins, increase energy, lose weight, enhance mood, & clear complexion.

Activates body's natural state of sulfation phase 2 detox.

Lithia Spring Water contains 222 mg/L of sulphate (SO₄). This polyatomic anion activates sulfation phase 2 liver detoxification pathways that helps remove harmful fat-soluble toxins from body's fat tissue.

A natural healthy state of sulfation phase II detoxification

7 SIGNS OF CHRONIC TOXIN OVERLOAD

- Have Low Energy Levels
- Have Brain fog feel down
- Have Weight Fluctuations
- Have Muscle and Joint Pain
- Have Bad Complexion Oily Skin
- Have Smelling Body and Breath Odor
- Have Low Immune System Always Sick

SULFATION PHASE II LIVER DETOX

If you have one or more of these signs you may be suffering from **Chronic Toxin Overload**. Lithia Spring Water is a powerful naturally safe detoxifier. One liter of Lithia Spring Water contains 222mg of Sulfate. Sulfate (SO₄) is a poly-atomic anion that helps fuel the liver to produce special enzymes that neutralizes and purges harmful fat-soluble toxins from your body. This bio-chemical process is called **Sulfation Phase II Liver Detox** that is naturally, safe, and effective. Drink 16 fl oz before breakfast (empty stomach) and another 16 FL before dinner for 5-Days.

Lithia Spring Water

America's Fountain of Youth™

222mg/L Sulfate Easy 5-Day Liver Detox & Cleanse

Lithia Spring Water contains 222mg/L of Sulfate (SO_4^-) fuels liver's Sulfation Phase II production of enzymes & removes harmful fat-soluble toxins from body. 16 Fl Oz before breakfast and 16 Fl Oz before dinner for 5-Days.

4,230 $\mu\text{S}/\text{cm}$ High Conductivity Cellular Hydration

33-trillion cells in your body transmit and receive bio-electrical energy. High conductivity ionic electrolytes hydrates and energizes cells. Sodium(Na^+), Chloride(Cl^-), Potassium(K^+), Calcium(Ca^{2+}), Magnesium ($\text{Mg } 3s2$).

Alkaline pH 7.4 Body's Perfect Natural Balance

Your body functions optimally at 7.4 pH alkalinity. Lithia Spring Water's ionized alkaline minerals survives the acidic stomach's digestion system (1.5 to 3.5 pH) helps build body's balanced 7.4 pH Alkaline buffer system.

500 mcg/L of Lithium & Aging Brain Syndrome

Our brain begins to structurally deteriorate as early as 30 and continues with age. Lithia Spring Water contains 500 mcg/L of Ionic Lithium may improve focus, clarity, memory, protect neurons from toxins, & mood elevator.

500 mcg/L of Lithium Immune System Booster

LITHIUM ($\text{Li}3$) is known to boost the innate and active Immune System. Modern life styles, stress, and diet may weaken the immune system making it vulnerable to viruses. Boost your Immune System Health.

68 mg/L Silica Beautiful Skin, Hair, & Nails

Lithia Spring Water's 68 mg per liter of ionic Silica (Si) increases collagen production facilitating skin hydration, improved complexion, hair growth, lustrous hair, strong nails & helps improve bone density.
